Meet NIA's Student Leadership Team

Haadi - Associate Student Leader

I'm excited to announce that I've been chosen as the Associate Leader of our school! This incredible opportunity fills me with gratitude and enthusiasm, and I feel truly honoured to take on this important role. As a young student, I understand how vital it is for each of you to have your voices heard, and I am eager to represent and advocate for your ideas and passions throughout the year.

Being part of the Leadership Team inspires me daily. I genuinely believe that through collaboration, we can create positive change and transform our school into an even better place for everyone. When I and the rest of the leadership team reflect on your voices, we will not only share your ideas but also unleash a wave of creativity that uplifts the student experience. Each of you holds the potential to inspire one another, and by cultivating a supportive environment, we can ignite a passion for learning that resonates throughout our community.

Together, we can work towards making this year an incredible journey filled with growth and achievement. Whether through new clubs, fun events, or more trips, I am committed to ensuring that every student gets the most out of their time at NIA!

Let's make this year amazing together!
