

Week starting	Studying in class	Revision session (invite only)	Educake quiz topic	5 questions, 5 sentences, 5 words activity (<i>complete 2</i>)
WC 09/11/20	Rates and equilibrium	Biology (ANH) <i>Anaerobic and aerobic respiration (B4)</i>	Chemistry <i>Atoms, elements, and compounds: the basics</i>	Physics Atomic structure File can be accessed from OR collect a copy from the science office.
WC 16/11/20	Rates and equilibrium	Chemistry (SHL) <i>Structure and bonding: Covalent bonding (C2)</i>	Physics <i>Electricity – Domestic uses and safety</i>	Biology Photosynthesis File can be accessed from OR collect a copy from the science office.
WC 23/11/20	Genetics, Inheritance, and variation	Physics (ROU) <i>Changes of state and energy transfers (SHC/SLH) (P3)</i>	Biology <i>Anaerobic and aerobic exercise</i>	Chemistry Structure and bonding File can be accessed from OR collect a copy from the science office.
WC 30/11/20 – Mock week 1	Mock go through DiRT and Paper 1 review	Biology (MMG) <i>Reflexes: Coordination and control (B5)</i>	Chemistry <i>Chemical bonds</i>	Physics Atomic structure File can be accessed from OR collect a copy from the science office.
WC 07/11/20 – Mock week 2		Chemistry (LWN) <i>Structure and bonding: Ionic bonding (C2)</i>	Physics <i>Changes of state</i>	Biology Photosynthesis File can be accessed from OR collect a copy from the science office.
WC 14/11/20	Genetics, Inheritance, and variation	Physics (EBL) <i>Density of materials and required practical (P3)</i>	Biology <i>Reflex arcs</i>	Chemistry Structure and bonding File can be accessed from OR collect a copy from the science office.
<i>Christmas break</i>				
WC 04/01/21	Genetics, Inheritance, and variation	Biology (ANH) <i>Reactions of hormones: Coordination and control (B5)</i>	Chemistry <i>Types of compounds</i>	Physics Kinetic theory File can be accessed from OR collect a copy from the science office.

Week starting	Studying in class	Revision session (invite only)	Educake quiz topic	5 questions, 5 sentences, 5 words activity (<i>complete 2</i>)
WC 11/01/21	Genetics, Inheritance, and variation	Chemistry (SHL) <i>Structure of atoms, size, and subatomic particles (C1)</i>	Physics <i>Density of materials</i>	Biology Coordination and control File can be accessed from OR collect a copy from the science office.
WC 18/01/21	Waves and wave properties	Physics (ROU) <i>Mass number, atomic number, and isotopes (P4)</i>	Biology <i>The human endocrine system: blood glucose levels</i>	Chemistry Elements and the periodic table File can be accessed from OR collect a copy from the science office.
WC 25/01/21	Waves and wave properties	Biology (MMG) <i>Homeostasis (B5)</i>	Chemistry <i>Giant covalent structures</i>	Physics Kinetic theory File can be accessed from OR collect a copy from the science office.
WC 01/02/21	Organic chemistry and hydrocarbons	Chemistry (LWN) <i>Practical work review – process of making copper sulfate crystals (C1)</i>	Physics <i>Atoms and isotopes</i>	Biology Coordination and control File can be accessed from OR collect a copy from the science office.
WC 08/02/21	Electromagnetism	Physics (EBL) <i>Electricity – Domestic electricity (P2)</i>	Biology <i>Homeostasis and the nervous system</i>	Chemistry Elements and the periodic table File can be accessed from OR collect a copy from the science office.
