About Me

Welcome! I'm Miss Middleton, I am the Head of Year 7, and my role is to support students as they transition into secondary school. I am passionate about creating a safe, welcoming, and encouraging environment where every learner feels valued and confident to be themselves. I work closely with students, staff, and families to ensure each individual is supported both academically and personally. My aim is to help every student settle in positively, build strong relationships, and thrive throughout their journey in Year 7 and beyond.
