Dear colleagues,

As you know, work is well underway on our new sixth form centre at Elgin House ready for the new academic year. We invited staff, students and the wider community to help us come up with a name for our new sixth form campus and we're pleased to announce today that it will be called **NIA6**.

We felt it was important that the name reflects that the sixth form centre is part of Northampton International Academy and we wanted something short and catchy – we hope you approve!

We're currently working on a new logo for NIA6 which we're excited to share with you soon. Watch this space!

Yours faithfully,

A handwritten signature in blue ink, appearing to read "M Serráo", written in a cursive style.
