Student Voice Interviews

A chance to learn more about what our young people experience at NIA!

This week we interviewed Rayyan in Year 12.

Question of the week:

Q: How have you managed the transition from GCSE to A Level?

A: At first it was overwhelming but the support from staff (shout out to Mrs Hayward, Mrs Burgess and Mr Meadham) helped me settle in comfortably.

Q: What is your highlight of the week?

A: I think it was the first day, I was kind of nervous but everyone has gelled really well and it's very peaceful here.

Q: What are your goals for this academic year?

A: My goal for the rest of this year is to stay on top of my work and to hopefully join our NIA Student Leadership team!

Q: What are your careers aspirations?

A: Undergraduate I want to study Midwifery or Radiography and Post Grad I'd like to study Medical Ultrasound.

Q: Final message or piece of advice for your readers

A: When things get hard don't just leave it, ask for help.

Meet NIA's Student Leadership Team

Atifa - Student Head of School

Hi everyone, my name is Atifa Ahmed, and I am delighted to be allocated the important role of being student head of NIA. I am currently in year 11 and I am dedicated to influence all my fellow students to work hard, like I try to, in order to achieve optimal greatness and strive for excellence as we represent the DNA of NIA. I am looking forward to meeting and conversing with many new people within my leadership role. I hope that I can utilise my role as a voice for many other students in this diverse school, and help to make school a better environment for everyone and ensure that we all get opportunities to have fun within the family of NIA.

NIA Student Voice Updates

On Wednesday, we held our first Student Leadership meeting with our Secondary team at NIA6!

Your VOICE MATTERS
