Meet NIA's Student Leadership Team

Ismail - Student Assistant Head of Sixth Form

Hello, my name is Ismail (Ish), I'm the Student Assistant Head of KS5 (Sixth Form) & one of the founders of Student Leadership. My role is to help and support KS5 and the whole school. I believe in the student voice and the development of NIA, I want to showcase the school on what it is, a school for students to thrive in many ways that one. As a student who started way back in 2019, I've seen this school change in every way possible, I've seen all perspectives of NIA and seen the ability of students to adapt and change for the brighter future, we as students always had a view on rules and changes made and are brave to talk about it and demand for something better. I know what changes are needed by students and what people want for us to grow as a school.

Finally, I am a very approachable person and always take in feedback and topic people want us to discuss about.

Student Council Assembly

Last week our Student Councillors presented assemblies to Years 7, 8, 9 and 10 to encourage more students to apply and to share the topic focus options for Spring Term 1. Enjoy some photos of our Student Council in action!
