Meet NIA's Student Leadership Team

Goodness - Student Head of Year 8.

Hi, my name is Get Aderounmu, I'm a Year 8 student (in NIA) and being part of the Student Leadership Team is a great opportunity.

It has significantly enriched my college experience, allowing me to collaborate with a diverse group committed to creating an inclusive and engaging environment for all students. I aimed at promoting sustainability, I have not only enacted change but also encouraged *my* peers to become more environmentally conscious. This role has cultivated a sense of accountability, teaching me the importance of listening to and representing the voices of my fellow students. Overall, my involvement has transformed me into a more effective leader while fostering a sense of community that values collaboration, creativity, and growth among all students.

Congratulations, Chief!

Congratulations to Chief, our new Student Head of Year 7. Another huge well done to all year 7s that have applied for our many opportunities in their first term at NIA. We are so pleased to have such passion and aspiration in this year group.

Remember you can apply for - Student Council, Cultural Inclusion committee, This Girl Can and you can join our medical club as discussed in assembly this week.
