

NIA STUDENT VOICE

Student Voice Interviews

A chance to learn more about what our young people experience at NIA!

This week we interviewed Georgia in Year 11

Question of the week:

Q: What have you achieved so far this year that makes you proud?

A: Year 11 has been a demanding but also rewarding year so far. Although it's tough there's lots to work towards. Personally I have achieved the new rank of Petty Officer Cadet within our schools CCF. I'm really happy to have received this promotion to be able to benefit the new cadets joining us this year and work on my qualifications.

Q: What is your highlight of the week?

A: My highlight of the week at school has been developing my exam projects in both Art and Drama and also welcoming new faces into the cadets on our Thursday parade night.

Q: What are your goals for this academic year?

A: My goals for this academic year are to improve my revision and keep ahead of coursework so I can work towards getting high grades in my GCSEs.

Q: What are your careers aspirations?

A: My future career plans are undecided as of yet but I would like to go into a creative field of work in the future. Cadets is a huge influence for me also so I may consider a role in the Navy.

Q: Final message or piece of advice for your readers.

A: Make sure to keep on top of work and not stress yourself out, no matter what you don't want to be cramming in work at the last minute. Also remember to have lots of breaks and have fun!
