

NIA STUDENT VOICE

Committee updates from our Staff Leads

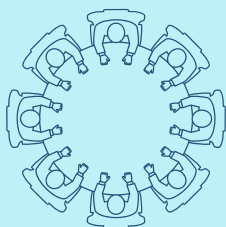

NIA's Student Council has had a very positive start to the year!

We invited all students in the secondary phase to complete a survey on what they would like Student Council to prioritise this academic year. The topic options were -

- Rewards and Sanctions
- Social Time Opportunities
- Online Communications

The students voted for Student Council to focus on social time opportunities. We are excited to explore additional opportunities for events we can hold at breaks and lunch times, we are particularly interested to learn what ideas students have for a special Friday lunch time celebration to promote good attendance throughout the entire week.

If you have any suggestions don't forget to put them on a note in our Student Council suggestion box near Student Services.

Meet NIA's Student Committee Members!

Student - Assad
Committee - Religious Inclusion

My name is Assad, and I am currently in Year 10. I am a member of the Student Leadership Team and the Religious Inclusion Committee. I joined the Religious Inclusion Committee in Year 9 because I wanted to help promote understanding and inclusivity within our school. I believe that learning about different faiths and cultures helps bring people together and creates a more respectful and welcoming environment for everyone. Last year, our committee organized an assembly on Palestine and Israel, where we aimed to educate students about the historical and humanitarian aspects of the conflict. It was an important opportunity to encourage discussion and awareness within our school community. This year, we are planning a Ramadan event, which will help the community learn more about its significance while also making sure that those observing Ramadan feel supported. We hope this event will encourage more understanding and unity among students of all backgrounds. By being part of these initiatives, I hope to contribute to a school where everyone feels included and respected, no matter their beliefs.

Friday social time opportunities

If you have any ideas for additional opportunities at break and lunch time that can be introduced as a Friday end of the week treat please put the idea on a note in the Student Council box in Student Services.
