Meet NIA's Student Committee Members!

Student - Kyla
Committee - Pupil Parliament

Being part of the NIA Pupil Parliament has been an incredible experience, allowing me to represent student voices and push for meaningful change. Through this role, I've contributed to discussions on key school policies, helped organize initiatives to improve student well-being, and worked alongside staff to ensure that every student feels heard. This platform has shown me the power of student leadership and how collaboration between students and staff can create a more inclusive and supportive school environment.
