

NIA STUDENT VOICE

Student Voice Interviews

A chance to learn more about what our young people experience at NIA!

This week we interviewed Francesca in Year 10

Question of the week:

Q: What have you achieved so far this year that makes you proud?

A: I have managed to achieve my highest grade this year in English on my formative Jekyll and Hyde assessment. My target grade was originally a 5 and I beat it with 4 grades higher = a 9.

Q: What is your highlight of the week?

A: My highlight of this week was being introduced to new dance work in Dance. I found it really interesting.

Q: What are your goals for this academic year?

A: My goals for this academic year are to try my best in the subjects I enjoy most and perfect those then move onto the subjects I least enjoy

Q: What are your careers aspirations?

A: I want to be a choreographer.

Q: Final message or piece of advice for your readers.

A: My pieces of advice are to think carefully about your GCSE choices. Don't leave it to the last minute. Choose subjects you'll be excited to see on your timetable. Give yourself a reason to attend school. Think about the GCSE's you need for what you want to become.

Meet NIA's Student Committee Members!

Student - Temiloluwa
Committee - Anti-Bullying Ambassador

Hello! My name is Temiloluwa, and I'm honoured to be part of the Anti-Bullying Ambassador committee. I'm currently in Year 11, and as an ambassador, my role is to promote kindness, respect, and support within our school community. Being an ambassador allows me to actively raise awareness about bullying, support my peers, and contribute to a positive school environment where everyone can thrive. I'm passionate about creating an environment where everyone feels safe and valued. I truly enjoy being part of this committee because it empowers me to contribute to positive change and helps foster a culture of inclusivity where every student has the opportunity to feel confident and accepted.

Student Leadership Update

Our Student Leadership Team are currently working on producing two videos that will be used with staff and students at NIA to support improvements in Teaching and Learning and to recruit for the new Student Leadership Team next academic year.

Keep your eyes peeled for exciting updates next term.
