Q: What are your goals for this academic year?

A: Since i have my mocks coming up in July, I am setting my goal to do well in them.

Q: What are your careers aspirations?

A: My career aspiration is to be a social worker because i want to give children the opportunities that they deserve and in case that doesn't work out i would like to be a divorce lawyer for similar reasons as previously stated as i believe that people have the right to be supported during difficult times and build on opportunities which seem unreachable.

Meet NIA's Student Committee Members!

Student – Temiloluwa
Committee – Student Council

Hello! My name is Temiloluwa, and I'm currently in Year 11. I'm proud to be involved in the Student Council, where I have the opportunity to represent my peers and work towards creating a positive and inclusive school environment. As a member of the Student Council, I actively collaborate with students and staff to address important issues, promote student welfare, and encourage a culture of respect and kindness. This role also allows me to voice the opinions of the student body and help make meaningful changes within our school community. I'm passionate about ensuring every student's voice is heard and contributing to projects that create a supportive and thriving environment for all.
