## Get to know the Students at NIA!

This week we interviewed Vanessa in Year 10 to learn about her work experience at NIA.

This work experience has been quite a change for me as I got to see the perspective of the teachers and working with the students. It has been challenging as there were lots of different jobs to do (mostly tiring) but it has been a nice experience for me and I really enjoyed working with SLT, pastoral leaders and teachers. I hope to do this again as I enjoyed it and it has helped me and changed my view and I thank SLT and the teachers for their hard work.
