Q: What are your goals for this academic year?

A: Spreading kindness across the school.

Q: What are your careers aspirations?

A: To be a kind, loving academic activist.

Q: Final message or piece of advice for your readers.

A: Spread kindness with your heart.

Student Council Updates

Olivia - Student Council

This year as student council we have discussed and implemented many changes in which the students of the school have asked for. One of the main changes we have made is the rewards system. We have changed the non-uniform days to be at the end of every half term so that more houses get the opportunity to receive this award. Each half term we also change the focus for the reward in order to give every house a fair opportunity. It may be focused on attendance, punctuality, house points or any other areas which students can strive to be the best they can be in. We have noticed that since this change has been made, the houses which have received the award has varied each term.

During our recent meetings, we have been preparing to vote for our new Chair, Vice chair and Secretary for the next academic year. We have used an application process to ensure that the right candidate is chosen to lead our committee.

In our next meeting, we will be beginning to discuss the Summer fete and our ideas for how we would like to participate.

Culture Day 2025

NIA's Culture Day is taking place on Tues 1st July.

Students are encouraged to embrace and celebrate different cultures with assemblies and lessons throughout the day and the opportunity to wear their cultural dress.

If you are not sure what to wear, you can wear the colours of your national flag, no jeans, not sports kits.
