Student Voice Interviews

A chance to learn more about what our young people experience at NIA!

This week we interviewed Ann in Year 9.

Question of the week:

Q: What is your highlight from the first half term of the year?

A: There's been a lot of good things about my start to Year 9, I like how tutor has been arranged, particularly how we now have reading embedded into tutor time to improve our literacy. I also like how we now have a dedicated literacy lesson.

Q: What is your highlight of the week?

A: In PSHE, we had a discussion about how we can improve lessons and how we can add activities to the lessons to help with our future, like CPR!

Q: What are your goals for this academic year?

A: By the end of Year 9 I want to achieve at least expected in most of my subjects.

Q: What are your careers aspirations?

A: I want to study criminology when I'm older because I find it interesting and it's been a dream of mine since I was 10 years old.

Q: Final message or piece of advice for your readers.

A: Never doubt yourself, always push to the best of your ability!
