

NIA STUDENT VOICE

Student Voice Interviews

A chance to learn more about what our young people experience at NIA!

This week we interviewed Mustaf in Year 9.

Question of the week:

Q: What have you achieved so far this year that makes you proud?

A: I am really proud that the Basketball team have been winning all games this week.

Q: What is your highlight of the week?

A: My lessons this week have been productive.

Q: What are your goals for this academic year?

A: I want to do well in all my tests and get into Set 1 in Year 10.

Q: What are your careers aspirations?

A: I want to work in either real estate or building.

Q: Final message or piece of advice for your readers.

A: Even if you start falling behind or failing tests you should always keep trying to do better.

A word from our Year 11 Student Leaders

Rhoda
Student Head of Year 11

Hi all , my name is Rhoda and I am the head of year 11. I joined the student leadership team apart of the first cohort. It was exciting experience, and I was really looking forwards to seeing what change I could bring to the school as well as making connections with people I meet. When applying I feared not being picked but I then decided to just keep my application as real and as personal to me as possible. Luckily enough I was able to join the team. Being in the student leadership team has been a great opportunity to create change for my peers and advocating for what they want; not only that but it has helped me network with not only people my age from other schools but also councillors and people in power across Northampton. It has given me opportunity to go on a range of educational trips ,build connections with student and staff but also helped with my public speaking ,confidence and communication skills - skills I will use for the rest of my life. I have enjoyed being on the team as all the people on the team have similar goals to me and I have been able to create strong bonds with them. Making friends for life. BIG SHOUT OUT TO MISS KING. As she had been an amazing supporter and helped lead the team on multiple events.

Year 10 Work Experience Feedback

Bianca - I really liked the experience to work as a member of staff at NIA because I got to see how hard the job is and I now understand the job. This week has taught me to really appreciate the teachers more and show more respect towards them. This week taught me to be responsible and about the way you have to dress, talk and collaborate with others in the workplace.
