NIA6 NEWS

13TH SEPT 2024

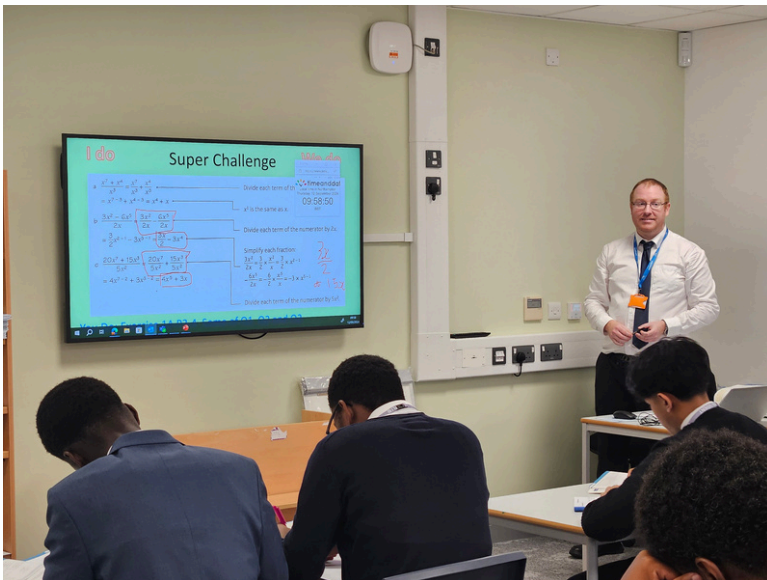

GETTING INTO THE A-LEVEL MINDSET

As part of their first induction day, Year 12 learners practiced scent association to create a confident and positive mindset.
#manifestsuccess!

“THE STAFF TEAM ENCOURAGED ME”

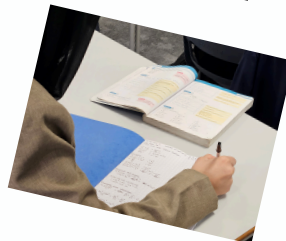

Our new Year 12s reviewed their induction days and highlighted the supportive teachers and community feel of NIA6. **“I met many new people and was part of a community and family”.**

A FANTASTIC FIRST WEEK FOR OUR NEW YEAR 12 LEARNERS

After a 2-day induction that included receiving the laptop, bag and stationary elements of their Enrolment Bundle, our new Year 12 learners have settled brilliantly into the new NIA6 site and have made an excellent start on their Level 3 courses.

Sixth Form teachers have commented on how hardworking and positive the learners have been so far. Students have been getting stuck into their new courses during independent study time. They have been using their Enrolment Bundle laptops alongside transition work booklets to make sure they have the best possible foundation for their Post-16 learning.

‘FIRST LOOK’ OPEN EVENING FOR YR11

On Thursday evening, we opened the doors of NIA6 to welcome our current Year 11s in for a first look around the new site.

Students had the opportunity to speak to our subject specialist staff about the range of Level 3 courses they will be able to choose from.

2025 applications for NIA6 will open next week.

PLACES STILL AVAILABLE

Want to join NIA6 this September? Contact us to discuss our three pathways:

- A-Levels
- Level 3 BTECs
- Level 2 BTECs
- Maths and English resits
