Year 12 Ambassadors Planning Future Events

Our Year 12 Ambassadors met this week to plan exciting future events and shape the NIA6 experience. Their goal is to create more opportunities for student involvement, ensure student voices are heard, and enhance life at sixth form. Stay tuned for upcoming initiatives! If you have ideas or want to get involved, reach out to an ambassador or speak to the sixth-form team.

Sixth Form Experience

Earl Asare Fordjour

Biology, Chemistry and Business

The 6th form experience has been a journey of personal and academic growth, where I've had the chance to explore my interests and challenge myself in ways I never thought possible.

My 6th form has provided a supportive and inspiring environment where every day feels like an opportunity to achieve my goals and develop into a well-rounded individual

everyone here feels so encouraging and supportive and we always push each other to do our best.

We have had many chances to expand our brand from outside the classroom.
Future ambition become a pharmacist.

Hi, my name is Gurshan Singh.

I am currently studying Applied Science and BTEC Sport at NIA6. The thing I like about NIA6 is the new equipment's being able to use such as the gym. I am planning on attending university and doing a course in medicine.
