First Aid Awareness – Life Skills in Action

Year 12 students had the opportunity to take part in a powerful and practical First Aid session delivered by the British Red Cross. The session focused on teaching essential life-saving skills and equipping students with the confidence to respond in emergency situations.

From learning CPR techniques to understanding how to react when someone is choking or injured, the workshop was both informative and empowering. A huge thank you to the British Red Cross for delivering such an engaging and impactful session—it's clear our students walked away with valuable knowledge that could one day help save a life.

Launch of Four New Student Committees

We're excited to introduce four new student-led committees at NIA6, designed to give students more opportunities to lead, organise and shape sixth form life:

Project Management – Planning and delivering key events and initiatives.

Ambassadorial Team – Representing NIA6 at events and supporting school priorities.

Senior Team – Leading by example and helping shape sixth form culture.

Clubs & Committee Management – Supporting societies and launching new student led ideas.

A huge well done to everyone who's already involved. Want to join? Scan the QR code to sign up!

👏 Celebrating 100% Attendance

A big shoutout to our three Year 12 students who have achieved 100% attendance this term! Your dedication, punctuality, and consistent presence are impressive, and we're proud to celebrate your commitment to your studies.

As we close out the spring term, we want to say a huge well done to all of our Year 12 students. Whether you've stepped up into leadership roles, thrown yourself into your studies, or contributed to the positive culture of NIA6, your efforts have been truly appreciated.

Take this time to rest, recharge, and enjoy your Easter break with family and friends. We can't wait to welcome you back for an exciting summer term ahead.

Happy Easter from all of us at NIA6! 🐣💛
