Hidden Gem: Evernote

Need help staying organised and on top of your notes? Evernote is the perfect app for keeping everything in one place, whether it's class notes, revision materials, or to-do lists. With its easy-to-use interface, Evernote lets you create notebooks, add photos, record audio, and even scan documents to store and organise your work.

Evernote is not just for note-taking; it helps you stay organised and increases your productivity by giving you access to your materials anytime, anywhere. With its seamless syncing across devices, Evernote ensures you never miss a beat during revision and helps you stay focused as exams approach.

Year 12 Students Support the Community

This week, our amazing Year 12 students lent a helping hand to The McCarthy-Dixon Foundation by packing and loading up to 2,000 food parcels for delivery to partner schools across Northampton. We're incredibly proud of our students for giving back to the community in such a meaningful way!

End of Term & Exam Preparation

As the end of term approaches, our students are gearing up for a well deserved one week break. But after that, it's back to the grind with exams on the horizon. Let's all take a moment to recharge during the break, and then dive back into revision with renewed focus and determination!

- ★ Combined Sci Trilogy Chemistry P1F: 19/05/25
