## NEWS

### ***A Warm Welcome to Our New Students***

We are thrilled to announce that over 100 students have joined NIA6 this September! This is one of our largest intakes yet, and it has brought a fantastic buzz to the campus. Classrooms, study spaces, and common areas are filled with energy as our students settle into sixth form life, meet new friends, and begin their courses. The lively atmosphere is a real reflection of the ambition and enthusiasm within our NIA6 community, and we are excited to see how this year group will grow and achieve together.

### ***Unifrog Virtual Launch***

This week, students took part in the virtual launch of Unifrog, a powerful online platform designed to support them in exploring and planning their futures. Through Unifrog, students can research university courses, apprenticeships, and careers, as well as build their CVs and prepare for applications. The launch event gave students an introduction to all the tools available, and they are now ready to begin using the platform to set goals and map out their pathways. We are delighted to offer this resource as part of our commitment to preparing every student for life beyond sixth form.
