Meet the Mentor & NIA6 First Anniversary

Yesterday we hosted our latest Meet the Mentor event, which coincided with a very special milestone, NIA6's first anniversary! 🎉

The day was filled with advice, guidance, and celebrations of how far we've come in just one year.

Don't forget our 1st birthday giveaway is still open! You could win a £50 Amazon gift card. 📺
The balloon columns are still up in school, snap a selfie by the NIA6 logo, post it on Instagram, tag @nia6sixthform, and use #nia6is1 for your chance to win.

DHL Workshop

This week our Sixth Formers had the fantastic opportunity to take part in a workshop led by the COO of DHL. The session explored the scale and impact of DHL's global operations, and the different career pathways available within such a large organisation. Students also had the chance to ask questions directly to a senior leader, gaining valuable insights into the world of business and logistics, as well as advice on the qualities that employers look for in young people entering the workplace.

Reading Buddies Training

Today we also welcomed a guest speaker from the University of Northampton, who delivered training to 23 of our Sixth Form students. These students will now go on to support younger learners at NIA as part of our Reading Buddies initiative, a wonderful way to give back and build mentoring skills.

Careers Assembly

Next week, our students will hear from a careers advisor in assembly, focusing on the importance of work experience and how it can shape future opportunities.
