

# NIA6 NEWS

## **NIA6 Open Evening**

We were delighted to welcome prospective students and their families to our NIA6 Open Evening. The event showcased the vibrant opportunities available within our Sixth Form, with subject specialists, current students and staff on hand to offer guidance and share experiences. Visitors enjoyed learning more about our academic pathways, enrichment opportunities and the supportive community that makes NIA6 such a fantastic place to study. Thank you to everyone who attended and contributed to a successful evening.

## **Year 12 Visit to the University of Northampton**

Our Year 12 students enjoyed an inspiring visit to the University of Northampton, where they had the chance to meet and speak with specialists from a range of healthcare sectors. The day included a campus tour and an introduction to higher education, giving students a valuable taste of university life.

In the afternoon, students attended three specialist talks focused on Physiotherapy, Podiatry and Nursing. These sessions offered a brilliant insight into potential career pathways and encouraged students to consider the exciting futures ahead of them.

## Celebrating Success

A huge congratulations to Blessing in Year 12, who has won the Young Black Achievers Policing Award for her outstanding charity and refugee work. This is an incredible achievement that reflects Blessing's dedication, compassion and commitment to making a positive difference. We are immensely proud of her and look forward to seeing all she will continue to accomplish.

## Children in Need Cake Sale

Last week, our fantastic NIA6 students organised and ran a successful cake sale in support of Children in Need. Their enthusiasm, teamwork and generosity helped bring our school community together for a brilliant cause.

A big well done to everyone involved for their hard work and contributions!
