## Year 11 Mock Results Event at NIA6

This week, we were delighted to welcome our Year 11 learners to the brand-new NIA6 Post-16 Centre for a special mock results event.

The day featured an inspiring presentation by our Executive Leader, Martin Serrão, who highlighted the importance of progress and striving for the best possible outcomes. Learners also toured our facilities, giving them a glimpse of what their future at NIA6 could look like.

Our commitment to supporting every learner in achieving their personal best was at the heart of the day, and we're thrilled about the bright futures for our Year 11 students!
