Word Warriors: Inspiring a Love for Reading

We are proud to have 41 amazing Year 12 Word Warriors, trained by the University of Northampton Schools Engagement team and Christine Webster. They have successfully launched the first phase of their programme, reading with primary learners, and will soon roll out the second phase with KS3 students.

SIXTH FORM OPEN EVENING

Thursday 6th February 5.30pm to 7.30pm

Discover your future at NIA6! Meet our inspiring staff and students, learn about our post-16 pathways, and explore everything our sixth form has to offer.

Business Students Gain Industry Insights

Our Year 10 and 12 Business students attended an insightful session by Alastair McLeod, a local Business Doctor, on industry trends and business structures. We also welcomed Careers Governor Dr. Emmanuel Vanger, PhD, SFHEA, along with Vikki Morton and Claire Coles AIEP from South Midlands Careers Hub. A huge thanks to Mr Meadham, our Business, Computer Science, and Media Lead, for organising this opportunity. This inspiring event broadened our students' understanding of the business world and career pathways.
