Dear Parents / Carers

Year 11 Mock exams

The week beginning Monday 24th February is the start of our Year 11 Spring mock examinations. These exams will allow learners to understand their progress within their GCSE studies and give their teachers more information about how they can best support your child in the preparation for their GCSE exams.

For these exams we will not be running study leave. All learners are expected on site at all times during the mock season. To help with a prompt start to exams, we are asking learners to be **onsite at 8.30am each morning**. Learners will be based and organised for all sessions in the theatre. They must arrive punctually to the theatre at 8.30am each day as well as at the start of P2 and P3. PM tutor time intervention will run as normal if learners do not have an exam.

Learners will still be dismissed from NIA at the end of the day as normal (3.20pm).

If learners do not have exams, we have created an adapted timetable for the mock season, which will further support learners preparation for their exams. Sessions will include:

- Walking talking mocks
- Drop down sessions for exam preparation
- Practical subject drop downs to prepare learners for their final exam
- Subject specific revision
- Supervised revision
